Author Rich Trombetta will lead a FREE, interactive, and fun discussion of his new book IT'S RIGHT THERE: Life Lessons From One Family's Quest to Visit All 50 States.

Using stories, group activities, and practical examples, participants will learn how to use travel to build strong connections and lifetime bonds without breaking the bank – or even spending any money at all.

100% of proceeds from book purchases will go to the nonprofits featured in the book.
